---	---	---	--

Decorators will have time to frost, apply and decorate further with a variety of edible confections.
We provide all necessary equipment, camera's, computers, printers, etc. No baking on premise.
Ingredient list supplied. Please ask about non-dairy, etc. we'll accommodate. We can handle more sign-ups.

What we are working on for 2012

1. Weird Science:

Science based active workshop encouraging participants to become involved in the scientific process.

2. Oh, Oh It's Magic:

Workshop that encourages all participants to become a magician!
Reproducible tricks, shown and explained to entice and mystify all of their family and friends.
