Please Do Play:

Please Do Not Play:

NOTE: All requests on these sheets are subject to availability or change. Request sheets are used as a guide for performers and they will try to get to as many as requests as possible, while also using they're judgement of what will work according to the flow of the event. We do not guarantee that all requests will be adhered to. We also will not play any song or request that in our judgment shows poor taste, vulgar lyrics or uses profanity. This is a company policy we feel strongly about as we must consider the concerns of any and all minors/children present whose parents may not allow this in their own homes. We need this 2 Weeks Prior, use separate sheets for more room, we can not process by phone.
